Catholic Church Planned for Members In Grenada

Through the kind and generous co-operation of the people of Grenada, Catholics and non Catholics, a long cherished dream is about to be fulfilled. Grenada is to have a Catholic Church. The property on the northeast corner of Mound Street and College Boulevard has been purchased and it is hoped that work on the building of the Church will be started soon.

In the annals of the Catholic Church in Mississippi, the first mention of Grenada occurs in 1878, when Rev. Father Maurel speaks of it in his annual report to Bishop Elder, as one of his newly created Missions. From that time on the Catholics of Grenada have been under the spiritual care of the priest at Water Valley. In the early days, owing to the difficulties of travel, Catholic Services were conducted more or less frequently. Mass was celebrated in the homes of Catholic families, the Miller home on Main Street, the Marino home, and Mrs. Townsend's home on West St. Since 1925, through the generosity of Mr. and Mrs. Joseph Enderlin, Mass was celebrated in a room adjoining their home. Since last Easter, the kindness of those in charge, Mass is celebrated every other Sunday at the Community House, building the building of the new church.

The most cordial thanks are extended to all who by their generous donations made possible the cash purchase of the new church property. A complete list of the donations will be published later.

Mrs. Cora Bell Martin Died Here Tuesday Afternoon

Mrs. Cora Bell Martin, widow of the late Mr. J. A. Martin of Hardy, died at the Grenada Hospital Tuesday, October 8th, 1940, at 2 p.m.

Mrs. Martin was a native of Grenada County, being the daughter of Mr. and Mrs. William C. Bell, long since passed to eternal rest, and a sister of the late Mr. A. S. Bell, onetime postmaster of Grenada.

She received her education at Grenada College and when a young woman was married to Mr. J. A. Martin in 1899. A long time member of the first Baptist Church of Grenada, Mrs. Martin was an active worker in the church up to the last month of her life. She was a devoted wife and mother. She played well her part on life's stage.

Services were conducted at the First Presbyterian Church Wednesday afternoon at two-thirty with her pastor, Rev. Glen E. Wiley, officiating at the church and later at Odd Fellows Cemetery. He was assisted by Rev. E. R. Anderson.

Many friends and relatives attended the last rites, and many came to bring beautiful flowers as signs of condolence to the bereaved.

Burial was made by Messrs. Henry Ray Sr., John Keeton, Pete Embury, A. L. Thompson, O. L. Kimbrough, and S. H. Horton.

Mrs. Martin is survived by a son, Mr. J. A. Martin of Oxford, and to him and to other loved ones, we extend our sympathy.

OCTOBER 16th SET AS DAY TO REGISTER FOR "DRAFT"

20th Century Club Sponsors Tom Thumb Wedding

On Thursday, October 17, at 7:30 p.m. the members of the Twentieth Century Club, will present a delightful entertainment at the school auditorium.

The play will be a Tom Thumb Wedding followed immediately by a hilarious comedy "Bigger and Better Babies." An incomplete list of ladies include the names of Mr. Henry Ray, Sr., Mr. John Keeton, Sr., Mayor Bob Sharp, Mr. Bob Vandiver, Mr. W. H. Kirk and (of all folks) Prof. John Rundle.

The Twentieth Century Club members who are sponsoring the Grenada Public Library are working to make money with which to purchase books for distribution in Grenada County.

Home talent plays are always the most enjoyable form of entertainment, so be sure to come to this. The price will be 25c for adults and 15c for children.

A complete list of those to take part in the wedding will be found in this issue.

Freddie Lickfold will be the groom in the Tom Thumb Wedding. We made an error in writing the maid of honor's name twice and Fred Giles is the rejected suitor.

Those of us who have been given the responsibility of registering the men of Grenada County who are subject to the Selective Service, are anxious to perform our duties as well as we possibly can. We feel that one of these obligations is to make it as easy and pleasant as possible for those who must register.

We have designated certain places in Grenada County for you to go on October 16th. These places are the same as we have always used when holding our regular elections. However, if it is more convenient for you to go to some other place, rather than your voting precinct, it is permissible to do so.

For instance, if those on Glenwood Plantation prefer, they can go to either The Plant or Elliott. These are merely examples. It is not WHERE YOU REGISTER, but YOU MUST REGISTER SOMEWHERE ON THAT DATE.

The places of registration will be opened at seven in the morning and will stay open until midnight. Should there be some waiting to register at nine, then the Registrars will take care of you regardless of how late they have to stay to complete the registration.

If a person who is subject to registration is ill at home and unable to go to the place of registration, then he may send someone to get his card, and take it back to him and then that person is to return it to the Registrars.

Now, if for any good and valid reason, one fails to register on the designated day, then he may present himself to the Draft Board at Grenada, giving them the reason of his failure to register. If this excuse is acceptable, then the Board will issue a certificate without any penalty. But, your reason for failure to register at the proper time must be a good one, so be sure and attend to this on the 16th, rather than take a chance.

Those sick in the hospital will have a Registrar to call on them there and they have nothing to worry about.

You will find the Registrars patient and anxious to help you with your questions. If a question is asked you and you are not so sure about the right answer, then answer as near as possible and the chances are the Registrar will be able to complete your answer.

Remember, this is only a registration of the male citizens of our country between the ages of 21 and 35 and does not mean you are signing up to join the army. There is nothing to be alarmed about at all, so just go and register and know that you have complied with the request of your government.

We should all be happy and thankful that we live in a country like ours and we should gladly cooperate with our government in everything we are asked to do.

Below is shown your precinct, along with the Chief Registrar:

Grenada—Prof. John Rundle. Whites will go to white school and negroes to negro school.

The Plant—Roger Dollarhide, Elliott—J. C. Hathorn, Graysport—C. E. Sprayberry, Pleasant Grove—Claude Doolittle, Providence—Jim Neal, Kirkman—E. G. McCormick, Spears—Will Hendricks, Gore Springs—E. McAlister, Mr. Nebo—Miss Bessie Carter, Peakridge—Mrs. R. B. Thomason, Hardy—Brown Whitlen, Geslin—Mrs. William H. Saunders, Oxberry—G. O. Sanford, Holcomb—A. Y. McBride.

You will note that the negroes will go to the same place as the whites, except at Grenada.

We suggest that all landlords see that their tenants are fully informed about this and tell them where to go to register. Also, all who have employees or servants within the age bracket be sure to see that they don't overlook this date.

Anyone of the following will be glad to give you any further information possible, if there is anything not clear here: C. J. Worsham, John Pressgrove, Sam Simmons Jr., W. W. Whitaker, Ed Underwood, S. H. Horton.

REGISTRATION DAY BY THE PRESIDENT OF THE UNITED STATES OF AMERICA

A Proclamation

WHEREAS the Congress has enacted and I have this day approved the Selective Training and Service Act of 1940, which declares that it is imperative to increase and train the personnel of the armed forces of the United States and that in a free society the obligations and privileges of military training and service should be shared generally in accordance with a fair and just system of selective compulsory military training and service; and

WHEREAS the said Act contains, in part, the following provisions:

"SEC. 2. Except as otherwise provided in this Act, it shall be the duty of every male citizen of the United States, and of every male alien residing in the United States, who, on the day or days fixed for the first or any subsequent registration, is between the ages of twenty-one and thirty-six, to present himself for and submit to registration at such time or times and place or places, and in such manner and in such age group or groups, as shall be determined by rules and regulations prescribed hereunder.

"SEC. 5. (a) Commissioned officers, warrant officers pay clerks, and enlisted men of the Regular Army, the Navy, the Marine Corps, the Coast Guard, the Coast and Geodetic Survey, the Public Health Service, the federally recognized active National Guard, the Officer's Reserve Corps, the Regular Army Reserve, the Enlisted Reserve Corps, the Naval Reserve, and the Marine Corps Reserve; cadets, United States Military Academy; midshipmen, United States Naval Academy; cadets, United States Coast Guard Academy; men who have been accepted for admittance (commencing with the academic year next succeeding such acceptance) to the United States Military Academy as cadets, to the United States Naval Academy as midshipmen, or to the United States Coast Guard Academy as cadets, but only during the continuance of such acceptance; cadets of the advanced course, senior division, Reserve Officers' Training Corps; and diplomatic representatives, technical attaches of foreign embassies and legations, consuls general, consuls, vice consuls, and consular agents of foreign countries, residing in the United States, who are not citizens of the United States, and who have not declared their intention to become citizens of the United States, shall not be required to be registered under section 2 and shall be relieved from liability for training and service under section 3 (b)."

"Section 10 (a) The President is authorized—
(1) to prescribe the necessary rules and regulations to carry out the provisions of this act;

(4) to utilize the service of any or all departments and any and all officers or agents of the United States, and to accept the services of all officers and agents of the several States, Territories, and the District of Columbia and subdivisions thereof in the execution of this Act."

"Section 14 (a) Every person shall be deemed to have notice of the requirements of this Act upon publication by the President of a proclamation or other public notice fixing a time for any registration under section 2."

NOW, THEREFORE, I, FRANKLIN D. ROOSEVELT, President of the United States of America, under and by virtue of the authority vested in me by the aforesaid Selective Training and Service Act of 1940, do proclaim the following:

1. The first registration under the Selective Training and Service Act of 1940 shall take place on Wednesday, the sixteenth day of October, 1940, between the hours of 7 A.M. and 9 P.M.

2. Every male person (other than persons excepted by Section 5 (a) of the aforesaid Act, who is a citizen of the United States or an alien residing in the United States and who, on the registration date fixed herein, has attained the twenty-first anniversary of the day of his birth and not attained the thirty-sixth anniversary of the day of his birth, is required to present himself for and submit to registration. Every such person who is within the continental United States on the registration date fixed herein shall on that date present himself for and submit to registration at the duly designated place of registration within the precinct, district, or registration area in which he has his permanent home or in which he may happen to be on that date. Every such person who is not within the continental United States on the registration date fixed herein shall within five days after his return to the continental United States present himself for and submit to registration. Regulations will be prescribed hereafter providing for special registration of those who on account of sickness or other causes beyond their control are unable to present themselves for registration at the designated places of registration on the registration date fixed herein.

3. Every person subject to registration is required to familiarize himself with the rules and regulations governing registration and to comply therewith.

4. The times and places for registration in Alaska, Hawaii, and Puerto Rico will be fixed in subsequent proclamations.

5. I call upon the Governors of the several States and the Board of Commissioners of the District of Columbia to provide suitable and sufficient places of registration within their respective jurisdictions and to provide suitable and necessary registration boards to effect such registration.

6. I further call upon all officers and agents of the United States and all officers and agents of the several States and the District of Columbia and subdivisions thereof to do and perform all acts and services necessary to accomplish effective and complete registration; and I especially call upon all local election officers and other patriotic citizens to offer their services as members of the boards of registration.

7. In order that there may be full cooperation in carrying into effect the purposes of said Act, I urge all employers, and government agencies of all kinds—Federal, State and Local—to give those under their charge sufficient time off in which to fulfill the obligation of registration incumbent on them under the said Act.

America stands at the cross roads of its destiny. Time and distance have been shortened. A few weeks have seen great nations fall. We can not remain indifferent to the philosophy of force now rampant in the world. The terrible fate of nations whose weakness invited attack is too well known to us all.

We must and will marshal our great potential strength to fend off war from our shores. We must and will prevent our land from becoming a victim of aggression.

Our decision has been made.

It is in that spirit that the people of our country are assuming the burdens that now become necessary. Offers of service have flooded in from patriotic citizens in every part of the nation, who ask only what they can do to help. Now there is both the opportunity and the need for many thousands to assist in listing the names and addresses of the millions who will enroll on registration day at school houses, polling places, and in town halls.

The Congress has debated without partisanship and has now enacted a law establishing a selective method of augmenting our armed forces. The method is fair, it is sure, it is democratic—it is the will of our people.

After thoughtful deliberation, and as the first step, our young men will come from the factories and the fields, the cities and the towns, to enroll their names on registration day.

On that eventful day my generation will salute their generations. May we all renew within our hearts that conception of liberty and that way of life which we have all inherited. May we all strengthen our resolve to hold high the torch of freedom in this darkening world so that our children and their children may not be robbed of their rightful inheritance.

IN WITNESS WHEREOF I have hereunto set my hand and caused the seal of the United States to be affixed.

Done at the City of Washington this sixteenth day of September in the year of our Lord nineteen hundred and forty, and of the Independence of the United States of America the one hundred and sixty-fifth.

FRANKLIN D. ROOSEVELT

By the President:
CORDELL HULL, Secretary of State.

Please pass the information concerning the draft along to your neighbors. Let's make registration 100 per cent in Grenada County.

I think my son is a little impudent writing that "even if they are sweet, he'll be damned if he wants to go there", which seems like a direct thrust at his papa.

Saw Mrs. Moore Moore, wife of Dr. Moore Moore, native of Grenada, and she was just as handsome and just as gracious as past reports I had heard. She and Dr. Moore have three splendid sons, all following in their father's footsteps as physicians. Dr. and Mrs. Moore may well be proud of such fine sons. Mrs. Moore is one of the Grey Ladies who periodically visit this hospital, and their visits are of incalculable value in raising the spirits of the oftentimes homesick and ailing patients.

These ladies, all members of Memphis' best families, read for those who cannot read, write letters for others, act as purchasing agents on the outside, talk cheerfully to the lonely ones and sometimes, as on Tuesday night, put on Lotto or Bingo games, giving cigarettes to the winners.

Grenada ladies might organize something similar to the Grey Ladies at home, if on a smaller scale. Nothing cheers up a sick person more than to know that somebody is interested enough in his welfare to come to see him. While not to the extent as in a large hospital, there are often unknown, friendless people in our home hospital.

Congratulations to the 20th Century Club, which is going on with the county library work in spite of a very serious loss, that of the bookmobile. You cannot head the winners.

ADVISORY BOARD FOR REGISTRATION IN GRENADA COUNTY

C. J. Worsham, chairman; J. P. Pressgrove, Sam J. Simmons, Jr., John Rundle, Eugene McGehee, Brown Whitten, Cowles Horton, W. B. Nicols, Andrew Carothers, S. C. Mims, Jr., Charles (Choppy) Andrews, W. M. Mitchell, McCune Talbert, A. G. Roane.

The principal duty of the Advisory Board is to assist any person desirous of assistance in filling out his Questionnaire.

KILMICHAEL 100 PERCENT

According to Captain Jim Shaw every young man, eligible for the draft in Kilmicheel, Montgomery County, thirteen in number, has already become a member of his organization. Headquarters Battery, 1st Bn., 114th F. A. Miss. N. G. In other words every man in that small town who would be classed as A-1, has already volunteered.

This is a remarkable record and one of which Kilmicheel should be proud.

Their names are: Anderson P. Austin, Claude M. Hudson, Leonard Rogwell, Rupert Gallaher, Joseph T. Gant, Jr., Stanley D. Greenlee, Arthur E. Kindred, Gene P. McPhail, George L. Townsend, Loyd W. Turner.

HONOR ROLL STUDENTS

The following 7th grade students in the Holcomb School made the honor roll for the first month: Vivian Organ, Nell Montgomery, Frances Allen and Wade Ferguson.

Plant Board Urges Potato House Disinfection

To help save the short crop of Mississippi sweet potatoes to be stored this winter, the State Plant Board is urging the disinfection of all houses which have contained potatoes before. A very cheap and satisfactory treatment, says the Board, is to spray thoroughly all of the inside parts of the house with a solution of one pound copper sulphate (bluestone) in 25 gallons of water, and repeat in twenty four hours. To dissolve the bluestone quickly, it should be hung in a sack near the top of the water. Any used crates, boxes, or other containers should also be dipped in this solution. The addition of five or six pounds of hydrated lime to a barrel of this solution is advised as it enables the operator to see that the spray is thoroughly covering all parts of the house.

This disinfection will help control the serious sweet potato disease known as black rot which destroys many bushels of sweet potatoes in storage each year.

For further information about sweet potato house disinfection or sweet potato diseases write the State Plant Board, State College.

Potato Field Inspections Lag Behind Schedule

Inspectors of the State Plant Board in all parts of the State are working over time in an effort to complete the field inspection of sweet potatoes before frost. All potatoes grown for seed purposes must be inspected twice while growing in the field for stem rot and due to the lateness of the crop, the field men are being rushed for time.

The Board states that although there are not quite as many growers as last year the rain in the early part of the summer delayed the inspections. There were 1382 applicants for certification this year and purchasers of Mississippi Certified sweet potato seed and plants will be assured of an adequate supply. At least one storage inspection will be made and also one or more inspections of the plants on the field.

Seen, Heard and Told By The Editor

Asking a native what he must do to secure an invitation to join that church, he was advised to take the matter to the Lord, which he did in prayer. After praying a few minutes he was interrupted by the Lord with the statement "I hear you Smith, but I do not know what to advise as I have been trying to get into that church for several years myself". A Baptist repeated that tale and was told another tale—that the only difference between the Baptists and the Presbyterians was that the latter had learned to read. Their tales, not mine.

Our esteemed fellow townsman, Mr. William P. Ferguson, recently celebrated his faith in our longevity by renewing his subscription. Thanks, Doc.

Much oblige to the delayed message from my favorite and beautiful cousin, Gertrude and from my handsome and courteous cousin Henry, in California.

Condolence to Editor Denley who regrets that as nobody has paid his subscription, he has nothing to write about. Hard, eh, Brother Denley?

Much oblige to Skipper Meriwether for a copy of his interesting newspaper sent to me in Memphis, as well as to Mickle Clark in Chicago for a newspaper from that city.

Brother George of the Pontotoc Progress staff is a guest up here with me. He has not got into any devilment yet, but I am expecting almost anything.

We extend the second welcome of our existence to Mrs. C. H. Woods of Webster, and hope that Ned Lee will not get huffed up for she is probably a subscriber of his paper also.

Aint they sweet.

IN REPLY

The letter reproduced below is written in reply to the letter re-produced on another page from Fr. Spier thanking the editor for his article published recently telling of the routine in the Veter-an's hospital.

Dear Fr. Spier:

I am extremely grateful for your letter of October 6, 1940. I carefully refrained from fulsome praise in the article. I wrote, but, frankly, I could have truthfully used much praise of the treatment that we receive here. Such bellyaching as I hear here, and it is precious little in the aggregate, appears to come from men who are not accustomed to one-tenth the good treatment at home.

Courtesy begets courtesy, civility begets civility, and politeness and obedience to the very simple rules here beget feelings of appreciation from the personnel here, who, after all, are just human beings like you and me.

I have experienced a mild degree of continuous hell during the last few years, my trouble being annoying if not necessarily dangerous blood pressure. The rest and quiet here, the obesity diet to reduce surplus flesh, the opportunity to continue furnishing "copy" for my newspaper, and, last but not least the very pleasant atmosphere engendered by the association with congenial ward-mates, and the uniform courteous treatment received from the doctors, nurses, orderlies and other employees, have, at least temporarily, made me feel like a new man. For all of this I am very grateful to the Veterans Administration, and I would be an ingrate indeed, having an opportunity to make public expression of my gratitude, should I neglect to do so.

Again, thanking you for your very kind letter, and with the hope that I may meet you personally on one of my frequent trips to Jackson, I am,

Cordially, yours,

W. W. WHITTAKER

FARM SECURITY ADMINISTRATION NEWS

It's harvest time in Grenada County, and that means it's time to make the final entries in the record books for the farm families working with the Farm Security Administration, said A. R. Summerour and May T. Parker SSA Supervisors.

"Many of the families on the FSA program have kept accurate record books," they said. "And they have all the monies they have made and spent entered in their record. Some of the families are learning the importance of record books for the first time."

"Record books are just as important to the farm family as they are to the merchant or banker, because they show the farm family what farm enterprises are making money, and which ones are losing money and should be

improved or discarded," they said.

Mrs. Parker, Home Management Supervisor, pointed out that in many cases the farmwives have learned that their surplus vegetables, sales of chickens and eggs are more important than the income from the few acres of cotton. Knowing this, the farmer and his wife have an opportunity to plan to increase the sales of these home produced foods.

The FSA supervisors pointed out that at this time of the year when farm and home plans are being discussed that the record books are important because they are essential in making the plans for the coming year. They urged the FSA farm families to complete their record books now so that they will be able to make better farm and home plans for the 1941 crop.

SCHOOL BOOSTERS

Grenada High School is indeed fortunate in having a host of good loyal supporters in Grenada. The business men who have made the "D.O." program possible are a typical example of the splendid support given the high school. Grenada's people have consistently supported the school, year in and year out, and this support has enabled the school continually to improve.

At the present time Grenada High is an accredited All-Southern high school, a fact which all Grenada should be proud of, for, after all, it is Grenada that makes the school.

Grenada High School and the Senior Class are indebted to newspaper editors who kindly donate the space occupied by school news.

The pupils of GHS have the PTA to thank for the tuberculosis tests to be given free of charge very soon. Dr. Clinton will be in charge, and any tests turning out "positive" will be subjected to further treatment to find out the extent of the disease.

School programs are always well attended. Not every school is as fortunate as Grenada in getting such good cooperation from the businessmen and in having such loyal supporters. So to all our supporters we extend our heartfelt thanks.

GIRL RESERVES MEET

The second Girl Reserves meeting of the year was in the form of a recognition program for new members.

Anne Odum, membership chairman, and Grace Smith, program chairman, were in charge of the program. The theme of which was "Follow the Glean." After Grace had outlined the program, all the girls sang "Spirit of Light."

Betty Rule, the club president, told a story, "Follow the Glean." The Scripture was included in this. After the story, the girls sang, "Follow the Glean." Grace told what the song "Follow the Glean" has come to mean to the YWCA, of which the Girl Reserves are a part.

The old members were asked to stand and repeat the Girl Reserve Quest. The new members were then asked to join in this Holy Quest.

All the new girls repeated the Girl Reserve Code, Purpose and Slogan.

As Dorothy Talbert softly played the piano, the girls came forward to light their candles from the tall blue taper which was placed on a table in the front of the room. With lighted candles still in their hands, they formed a circle of friendship in which the old members also joined.

Miss Haynes, the sponsor, made an inspiring talk and welcomed the girls into the circle.

Still standing in the circle, the girls sang "Girl Reserve Quest" and Audrey Moss said the closing prayer.

Various business matters were discussed and the club was divided into four groups, known as Triangles.

At the close of the meeting, Marjorie Chapman led in the singing of Girl Reserve Songs.

40 HONOR GRAD ON STAFF OF THE MISSISSIPPIAN

William Winter, valedictorian of the Grenada High Class of '40, and now a freshman at Ole Miss, is a member of the staff of the Mississippiian, weekly paper published by outstanding students at the University.

As president of his class and of the local chapter of the National Honor Society, as winner of the good citizenship medal, as an outstanding member of the public speaking group, debating team, and senior play cast, and as editor of the yearbook at GHS, William showed the same high standard of excellence that always characterized his class work and his conduct. His many friends at GHS are glad that his talents are being recognized at college and expect him to continue to distinguish himself.

INTRODUCING OUR LEADERS

Although each student plays an important part in our school life, there are those few individuals who must take the responsibility of leadership in these activities and who must bear the brunt of the work. These hard workers are our leaders—the presidents of the respective classes and organizations. Each week we will introduce one person who is especially worthy of note.

It is appropriate that the first introduction should be that of an officer who holds the position of most responsibility this year, Thomas Bell.

Thomas Bell is the Senior Class President and has had the unusual honor of being the president of the class each year since its freshman days. Thomas is on the football team, a member of the public speaking class, and a member of our Chapter of the National Honor Society. Thomas is dependable, hardworking, always ready for a joke, and excels in the field of scholarship, leadership, and good citizenship.

THE GLEE CLUB

The GHS Glee Club has been organized for the 40-41 school session. There are approximately sixty members of this club. Miss Donaldson, the music and glee club director, is very pleased with the prospects for the coming year. She is laying plans for a girls' sextet and a boys' quartet.

Because there are many new freshmen and all the old glee club members are cooperating enthusiastically, the glee club is anticipating a very successful year.

Tuesday, the freshmen, sophomore, junior and senior class officers were guests of the Rotary Club. Thomas Bell, senior class president, introduced the various officers to the Rotarians. Mr. Cowles Horton, prominent local attorney, made a brief address. These class leaders felt honored to be the guests of this public-spirited organization.

GUEST SPEAKER AND SINGER AT ASSEMBLY PROGRAM

On Wednesday, October 3, J. Y. Smith began the chapel program by singing very beautifully, "Be the Best of Whatever You Are". The guest speaker was the Rev. E. R. Henderson, whose subject was "Be Followers of Jesus of Nazareth". Both Mr. Henderson and Mr. Smith are invited to return often.

Friends of Miss Turner sympathize with her in the death of her aunt who passed away September 29.

GHS DIRT

Looking back to this time last year we see:

Col. John White roaming about the building, going nowhere in particular and being corrected for it.

Francis Hill and Charlie Calloway looking fleets of airplanes in the illu-

ry.

Several "unknown persons" giving wailing cat-calls at every opportunity.

"Bishop" Anderson looking around looking as if seeking some place to sleep.

Dick Rule parading around looking like Ben Brummel.

Dot Whitaker searching as frantically for news as we are this year.

Charline Chaplin and Elizabeth Logan being class Jollets.

And the whole class being envied by the Junior class because of superior knowledge, dignity, and privileges.

Billy Foster: What were you doing after the accident?

Freddie Thompson: Oh just scribbling up an acquaintance.

Student aviator: Quick, what do I do now, instructor?

His companion: What? I thought you were the instructor.

JOHN RUNDLE JR. HONORED

John Rundle Jr. of the class of '37 has been awarded a scholarship during his three years of college work at Millsaps. He has been especially distinguished in English and this year is student teacher of English.

Last semester he was on the dean's list. Additional college honors include membership on the editorial staff of the Millsaps White, the Kit Kat Klub, and the Kappa Kappa Gamma.

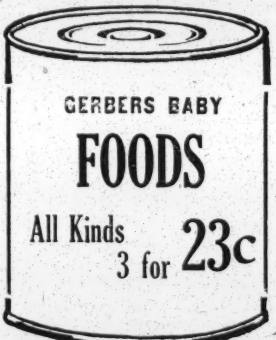

Mr. Rundle is proud to be a member of the Millsaps White.

A firm handshake is different from a handshake made by a robot.

Mr. Rundle is a member of the Millsaps White.

Outside the Millsaps White, inside the Millsaps White, she is a member of the Millsaps White.

"No, my dear, only a robot."

Registration Day

Next Wednesday has been designated as Registration Day in the United States by the President of the United States. It will be as important a day as the registration day back in 1917 when the fathers of those to register now gathered at their several polling places and registered.

This step is the first step in the operation of the Selective Service Law designed to select from the whole number of young men of America those individuals who are most fit for military service and, at the same time, have least financial obligations to family and who are less essential to industry.

As for Grenada county, we urge that every person cooperated with established agency set up to make this registration.

May we urge that every landlord acquaint himself with the details of this registration, and inform his eligible tenants when to go, where to go and what information to give when he reached the place of registration, to the end that Grenada County's registration will be complete.

May we urge that every employer of men tell their eligible employees where and when to report; may we urge that these employers refrain from "docking" their employees for time lost in registering.

May we urge that every informed citizen advise with their poorly informed friends and neighbors to the end that they later named citizens may escape future trouble with Uncle Sam by refraining from registering.

In short, let us urge that every citizen of Grenada County cooperate fully in this nation-wide mustering of man power.

On the front page of this issue is a comprehensive article setting forth the details of the registration prepared in the name of the County Election Commission, but ably written by Mr. Hurd Horton, the chairman of this commission. We urge that each of our Grenada County subscribers pass this issue on to those who do not subscribe and ask those, in turn, to pass the issue on. We are printing a number of extra copies of this issue and sending bundles of papers to each country store with the request to the proprietor that he pass these papers on to BEST advantage.

When we were at home Sunday, we noted that all county officials, city officials, school teachers and school authorities were working wholeheartedly with the Election Commission, which the regulations make responsible for the registration, and that the citizens already contacted have volunteered their services wherever needed.

Let's continue the work already started and bring it to a successful conclusion Wednesday night, after which time the Able Draft Board will proceed with the selection.

Why Volunteer

Whether our nation goes to war or not, there is no chance of any physically fit and otherwise qualified young man of escaping at least one year's military service.

If we never enter the present war, such a young man will have to "put up" a year, this year, next year, the year after or five years hence.

With the certainty of having to devote at least one year to military training staring him in the face it seems the logical thing to do would be to get that year "behind" him, and be done with it.

This writer is taking a leaf from his own book of life written in 1917. He knew that he would be drafted and sent God knows where, and that there was no escape from draft. He volunteered with his home company where he knew at least that he would serve with life long friends and neighbors. Even at this late date, he lays claim to no patriotic impulse, the some of that was not entirely absent. He merely chose what he deemed to be his "best way out".

Granting the rather violent assumption that this nation will not be involved in the present war, the draftee after serving his allotted one year, will be subject to recall until he is 45 years of age. On the other hand, he will automatically continue in service until the war ends, should there be a war in which our nation participates.

The volunteer signs up for three year's service. Frankly, he too, like his one-year drafted brother in arms, will continue in service as long as the emergency lasts, be it three years or six. On the other hand, if there is no war, he will be definitely out of the service at the end of his three-years enlistment period and will not be subject to recall until he reaches 45 years of age. When the emergency ceases to exist it is very likely that, until the expiration of his three-years enlistment, he will revert to the status of the boys now in the guard - a few drills now and then and little interference with civilian duties.

The question of the individual young man, as to volunteering or awaiting his turn via the draft, is one that he should settle for himself. The foregoing are merely the reactions that the writer himself faced 23 years ago.

An Unfair Issue

Being a Democrat who tacitly swore to support the Democratic nominees, we will vote for Roosevelt, if not for other reasons; but, in our opinion, it is unfair to drag up the German ancestry of Willkie and attempt to use that ancestry against him. During the last crisis in our history, in 1917, Willkie joined the American army and must have been a good soldier for he came out with two silver bars on his shoulders. We understand that his brothers had quite as honorable record for patriotism.

Issues such as these are likely to do more harm than good to us Democrats.

In Good Hands

We believe Governor Johnson has appointed good men to administer the draft in Grenada County. Monroe McKibben, Sax Wier and John Keeton are members of the board; Marshall Perry is the attorney, while Dr. J. S. Sharp and the Grenada Clinic is the medical officers.

These gentlemen have a hard job, an unenviable job, and a job requiring a fine sense of justice and fairness. It is a job which requires selection of certain individuals, best fitted physically, least important to essential industry and having least responsibility for dependents, from the whole number of the 21-35 age class in Grenada county. It is their job to disregard wealth, social position and political connections, and regard only physical ability of the individual, his value to essential industry and his relation to the welfare of his dependents. Nothing will bring this board and any other similar board into disrepute, and the entire Selective Service Law into disrepute, quicker than for the boards to disregard the fundamental principles of the act, on which they are the most essential administrators.

The whole national effort to prepare this country for national defense will be seriously impeded, if not defeated, unless the draft boards act fairly, and feed every individual, be he rich or poor, educated or illiterate, white or black, from the same spoon of fairness and justice. The son of politically impotent man should be treated as fairly, but no more fairly, than the son of the "big shot" politician. The son of the poor and humble citizen should be weighed on the same scales as is the son of the richest man of the community. The educated college graduate and the undergraduate should have the same consideration and should be measured by the same yardstick of justice that the illiterate youth received and is measured by. Otherwise, the whole system will fall into disrepute.

Men with personal knowledge of these people have been appointed so that they can detect and disregard obvious attempts to resort to subterfuge to defeat the real purpose of the draft. Hoodoo "dependents" and "hoodoo" excuses, apparently made for the purpose of evasion, should be rigorously disregarded. As a member of the President's own family, according to press reports, has furnished a very bad example.

We believe our board will keep the fundamentals ever in mind, and will do justice to their fellowmen, and we think Grenada County is fortunate that it has men of high character to perform these duties.

What of the Jews?

Robin Weaver, in his Neshoba Democrat call attention to the persecution of the Jews by Hitler and Mussolini, and suggests what it all means. He reminds us of the inevitable carrying out of the Bible, and he might have added that the predicted "coming back" of the Jew, is greatly due to the Jew's superior trading and economical ability. He says:

"Under Hitler, Germany has openly and definitely persecuted the Jewish people.

"Jewish merchants have been practically forced out of business over there.

"Even now, Jews must to all their trading for the day between the hours of 4:00 and 5:00 o'clock.

"Hitler has passed cunning laws that have extracted millions of dollars from these people.

"Mussolini has followed suit.

"Italy's strong man has gone into Palestine and made war there, where England for many years has sought to bring understanding and settlement of their problems.

"In Paris just the other day, a new group, the 'French Youth Movement' went down the street smashing in Jewish store fronts.

"What do all these things mean? Where will they lead?

These are questions that come to mind as we recall the old Biblical prophecies to the effect that the "seeds of Abraham" shall flourish, that Zion shall be re-established, that the Jewish nation shall again gather in their native land and inherit the earth.

"The Jewish race, like any other people, has its faults. They have been charged with craftiness and arrogance, among other things.

"But more than likely, the real root of the trouble goes to that same source that causes so much strife everywhere—money.

"The Jew has proved himself to be an excellent merchant and has developed great mercantile and banking institutions throughout the world to whose doors other groups and races have come.

"They have amassed tremendous financial strength through the years.

"Hitler seized upon that fact as a source of money for his armaments and his other plans.

"Thus did the Jew's own supremacy in financial matters prove his undoing in Germany, Italy and other countries.

"But what will the final result be?

"We know not the hour, but the time will come when Hitler, Mussolini and all others who have persecuted the Jew crumble in dust and the Hebrew nation rise to ascendancy.

"The old Biblical prophecy will come true, just as all others have come true.

"The troubles of the Jewish people today may be a part of the Great Scheme of things, or because of some specific wrongdoing.

"They were punished years ago for their wrongful acts, just as they and all other peoples will continue to be punished in the years to come.

"Hitler and Mussolini are but passing figures in the great scheme of things controlled by God Almighty.

"And whether Mr. Hitler or Mr. Mussolini or anybody else likes it or not, the Jewish nation will some day come back to power as a unified nation.

"You can't buck the Bible and get away with it."

—The Winston County Journal

Fifth Columnists

Even the school children in Grenada, we are informed, are taking about about Fifth Columnists in Grenada, and child-like are even mentioning names. This talk from the lips of the children evidently originates from the more discreet talk they hear at home.

As the war psychology rises in Grenada, and elsewhere, the people will forget the pacific and patriotic public utterances of the present, but will remember the position of an individual suspected.

Woe betime the individuals who are suspected, either with or without grounds, of being Fifth Columnists. As the war fever rises, as it is now rising, we do not envy the position of an individual suspected.

Only Two Classes Can be Discharged

According to official information received by Captain J. E. Shaw, only two classes of guardsmen can be discharged from the guard. The first class embraces those physically unfit; the second class, those who have dependents.

Uncle Sam is tightening the reins, boys.

Does Advertising Pay?

If newspaper advertising does not pay, why do such local firms as Grenada Auto Company, Oliver-Lilly, Kroger, the Volunteer Stores, Jitney Jungle, Piggy Wiggy, Grenada Implement Company and Youngblood, to mention only a few, use so much space in local newspapers? Do these successful establishments continue to pursue a policy that is not helpful to their volume of sales?

Why do Brys, Lowenstein, Haverty, Goldsmith's, Levy's, Weonna Store, and so many other progressive establishments use so much space in the Memphis news-

papers, unless advertising pays a considerable return? Why do the makers of Campbell's Soup, Ivory Soap, Royal Typewriters, all cigarettes, and so many other concerns having nation-wide coverage use so much volume of space in the national publications.

The answer is obvious. Advertising in well-read newspapers DOES pay, and pays well.

Senator W. B. Roberts Is Dead

Hon. William B. Roberts of Rosedale, dean of the Mississippi State Senate, is dead.

Often times successfully, sometimes unsuccessfully he attempted to carry into the management of his adopted state the business principles and the ethics which he used successfully in the management of his own affairs.

Never actuated by partisanship, he was prior anti-administration as his own good judgment dictated.

Long a member of the State Senate, he sought retirement at the end of 1939, but was literally drafted by his constituents for the present term.

Mississippi will miss the wise counsel of Senator Roberts, while the seat he occupied in the senate chamber will be difficult to fill.

NOTES TAKEN ON A VISIT "HOME"

(Intended for last week)

I am indebted to William Wright for a ride about the old "home" town. Oliver-Lilly's new Ford went over with a bang. The old lady looked as good as ever, if not better. We are soon to have a brand new place for storage of records in the chancery clerk's office. Sorry to learn that Mr. Wright, Rice, Pressgrove's father-in-law, was in desperate condition and may not be alive when this is published. Noted several new tracks on our cash book. Thanks for the printing orders entrusted to us during my absence. Old man Frank Gerard has been doing a good deal of fishing recently, while "Miss" Elizabeth has been doing a good deal of bridge playing. Sorry to learn that the Ransoms and Brantleys are moving to Natchez. Sorry also to learn that I missed not one but two parties last week. Cousin Jack Townes seems to be making nice headway. The trip to the hospital must have helped Claud Perry for he does not cuss as often as he used to. Claud got almost close enough to smell sulphur fumes. The hardworkers at the Trust Bank were mighty busy, as usual. Roy Doak had better borrow my reducing diet, for he is getting a terrible belly. Heard that Frank Houston had got back from Memphis, but did not get to see him. Mighty glad to hear that Quinn was getting on his feet again. See where Ed Penn and Plug Irby had their respective signs over their respective doors. I started to take a ride to the country with Dr. Clanton but when he said it was a labor case I backed up, having had experience with such affairs. Dr. Avent is opening up a squirrel camp on the Fox well, near Oxberry. Poor squirrels. We are soon to lose St. Jones as District Manager of the Southern Bell. He has been a "good and faithful servant" and he richly merits the retirement that we hope he and wife will enjoy. Mr. Thomas is as hale and as hearty and as affable as ever. W. P. A. Hamby is still paining. Brother Quantrell pulled a good one, asking Greenfield (2 years older than myself) where his father (me) was. He ought to get some specks. Fred Lickfold suggested an electric razor for me so that I would not even have to get out of bed to shave. A good many people agreed with me about the undesirability of "bad niggers." I am going to get Sam Mims a diet list too. Got a good promise on the street from Charlie Cobes. They have been having some kind of rucus out East. I reckon I am going to have to make that agreement with Mr. Mick, for I am getting short of money. If the Bulldog editors continue the present scale of excellence, they are setting a high standard for their successors. I made a mistake in the long-winded article last week about this hospital. A prospective patient may save time by getting an entrance blank from the Service Officer of the American Legion. Reports are that the Legion meeting last week was the most enthusiastic ever had in Grenada. Attention is invited to another guest editorial by my friend, Mr. H. P. Allen, who has now gone to the Army and Navy Hospital in Hot Springs. Arthur Jarvis, I hear, is going to Missouri to accept a job on some government boat construction work. The crashshooters in Grenada are like lost souls in purgatory. Let's get together and secure for Grenada County the stamp method of securing commodities. A scheme that helps all and hurts no one is, according to my notion, a good week in Ralph Semmes' subdivision. Welby had better begin dieting as he is getting

ting as big a belly as Bilbo. Cotton is beginning to come in driplets, and business seems definitely better. Roosevelt seemed to be running ahead of Wilkie by a substantial margin in Grenada. Had a nice letter from my "brother" Ellett Lawrence when I arrived in Grenada. One of our tenants told old lady, "Ole Miss, if the government would let me alone I could make a living on this land". That's a fine (?) parody of the AAA. The GCW is becoming increasingly popular at the Vets Hospital. Old man Hurd Horton looks real nice in his new suit, while Willard Odom looks equally nice in his new bonnet. The old lady went to Oxberry recently and reported crops only medium to bad. Dr. Sharp looked as natty and as well-groomed as ever. Hope my good friend, Jim Lamb, is enjoying his visit to his niece in Memphis. Fred Griffin not only uses water but also soap in washing up his concrete entrance. The new Horton building is progressing nicely. Jim Moss is seeing that it is plum, square and level. Preacher Pharr preached a good sermon Sunday, they say, but I did not get there until af-

ter 1 p. m. Mrs. Rose has a sniffling cold. Ben Brown was still solvent the last reports.

FLASH: Willie Martin just passed by on the bus enroute to Grenada from Hot Springs.

I'LL TUNE OUT THE ALKA-SELTZER ANNOUNCEMENT

Don't—THAT'S THE MOST IMPORTANT THING YOU'LL HEAR TONIGHT

"When statements about Alka-Seltzer are made over the air, please, please believe them."

Mrs. Oma Catherine Jones

MILLIONS suffer less from Headache, Acid Indigestion, Distress of Colds "Morning After" and Muscular Fatigue because they have heard—and believed—Alka-Seltzer radio announcements. To these millions, the relief obtained by the use of Alka-Seltzer is worth far more than the genuine enjoyment they get from the broadcasts.

The most important parts of our radio program, both to you and to us, are the commercial announcements. Once you have tried Alka-Seltzer we believe you will agree with us.

But try Alka-Seltzer because it is an unusually effective medicine not because you enjoy the radio programs.

WHY ALKA-SELTZER IS SO EFFECTIVE

The pain-relieving analgesic in Alka-Seltzer is in complete solution, ready to ease the distress as soon as you swallow it. The pain-relieving action is made more effective by alkaline buffers. The alkalinizing elements in Alka-Seltzer reduce excess stomach acidity.

Get Alka-Seltzer the next time you pass a drug store.

CATOBORO ENGAGEMENT ANNOUNCED

of interest throughout the MidSouth and in Memphis, where the bride-elect is a frequent visitor, is the engagement of Miss Eleanor Linwood Bobo to Earl Vanborn Catoe Jr., son of Mr. and Mrs. Catoe Sr. of Webb, Miss. The wedding will be solemnized in the late fall at Clarksdale.

Miss Bobo is the granddaughter of the late Mr. and Mrs. Alexander Carr Bobo of Lyon, Miss., and the late Mr. and Mrs. Walter Baxter Pace of Louisville, Miss.

She was graduated from Randolph-Macon Woman's College at Lynchburg, Va. where she was a member of Chi Omega Sorority and S.T.A.B. Intersorority. She received her master's degree from New York University and has traveled abroad.

Mr. Catoe was graduated from Webb School at Bolckle, Tenn., and received his B.A. from Vanderbilt University, where he was a member of Phi Delta Theta Fraternity. He attended Harvard Law School and received his LL.B. degree from the University of Mississippi Law School, where he was a member of Phi Delta Phi, legal fraternity. He has traveled in Europe and in Central America, and has his law office and farming interests in Webb, Miss., where the young couple will live.

The groom-to-be is the brother of Mrs. John Ben Perry Jr. of Grenada. His many friends here will read the above announcement with interest.

Mr. and Mrs. W. E. Jackson spent Sunday in Vicksburg with their cousin, Mrs. Lebetter. They spent Monday in Jackson.

Mr. and Mrs. C. J. Allen of Water Valley visited their invalid sister, Mrs. Wm. Glenn, on Sunday. They also attended to business affairs on their farm in Beat Two.

Gus Gerard, senior at Ole Miss, and Misses Louise Sanderson and Dick Jones, students at Ole Miss, were here the past week-end.

Mr. and Mrs. Will Martin have returned home after a stay at Hot Springs, Ark.

Raphael Semmes Jr. student at Ole Miss, spent the week-end here.

Mr. Lewis Gerard, of Boston, son of Mrs. E. L. Gerard, arrived here last week for a visit with his mother and with his two brothers, Messrs. Frank and William Gerard and their families in Winona, also with the family of the late Mr. Paul Gerard in Cleveland. His mother accompanied him on these visits and they returned to Grenada on Monday.

QUINN-CARROLL

Miss Gladys Carroll of Lake City, Fla. and Mr. Loyce Quinn were quietly married in the home of Rev. and Mrs. Pharr on Friday October 4. The Rev. Pharr officiated with the double ring ceremony.

The bride wore a soldier blue suit with navy accessories and a pink rosebud corsage. Their only attendants were Mrs. Quinn and Mrs. Henry Carroll.

Mrs. Quinn is the daughter of Mr. Charlie Carroll of Carrollton. The groom is the son of Mr. and Mrs. L. M. Quinn of Sturgis, and is connected in business with his brother here.

The happy couple are at home on Cherry Street with Mrs. Foster.

BAFW CLUB MEETS

The Business and Professional Women's Club met at the city hall Tuesday night. Judge McKibben spoke to an interested group of women on the subject "How to Vote Intelligently".

Mr. J. B. Perry Sr. was to have addressed the group, but was called out of town.

ENTERTAINS SUNDAY SCHOOL CLASS

Mrs. Hal Calhoun's Sunday School Class of young matrons of the Presbyterian Church enjoyed an informal get-together on Thursday evening, October 3rd, in the home of Mrs. C. A. Pharr, with Mrs. H. D. Lane as co-hostess. Games were enjoyed and a little "White Elephant Sale" was held.

The hostesses served delicious sandwiches, cookies and cold drinks. These socials are held monthly, and all members of the class are cordially invited to be present.

Mr. and Mrs. H. H. Bibb of Jackson spent the week-end here with their parents, Mr. and Mrs. Lester Parham.

FRIDAY BRIDGE CLUB

Twelve guests were entertained Friday afternoon at the charming home of Mrs. Ben Townes on College Blvd. Autumn flowers, featuring yellow and blue arrangements, were artistically used to further enhance the beauty of the reception rooms. Three tables were arranged for the games. The members of the club and two non-members, Messdames Joe B. Williams and Sam Carothers, were guests.

At intermission, the hostess served delectable sandwiches and coca colas.

At the conclusion of the games, a lovely jeweled clip was presented Mrs. Chas. Dickinson for compiling high score.

Mrs. Sam Houston of Vicksburg spent several days early this week with her parents, Mr. and Mrs. D. B. Brown.

A PRAYER

Dear God, keep our child safe today—
Safe at work, and safe at play.
Teach his little feet to stay
In Thy straight and narrow way.
May he never from Thee stray.
Is my prayer, Dear God, today.

DR. AVENT HAS CAMP

All of last week, Dr. J. K. Avent was the genial host at a squirrel camp on what is known as the "Fox Place" in Beat 5 near Oxberry.

The hospital staff, members of the personnel employed at the Clinic and friends enjoyed the outing. Barbecue and stews with coffee and pies and breads were on the menu. An abundance of delicious food was served the guests. On Friday night Dr. Avent's daughter Louise invited several school chums, Mary Lou Cullen, Dorothy Talbert, and Carolyn Whitaker to be her guests. Several others were invited but unable to go. They enjoyed a "possum hunt, Biddle Avent, son of the host, invited several of his young friends for this pleasant trip.

Mr. and Mrs. O. R. Lilly spent Monday in Memphis. Editor Whitaker accompanied them to Memphis where he reentered the Veterans' Hospital.

Mrs. Annie Jones returned home Sunday from Cleveland, Miss., where she has visited the past ten days in the home of her son, Mr. C. B. Jones and wife.

TUESDAY BRIDGE CLUB MEETS

The charming home of Mrs. L. J. Doak was the scene of a bridge club meeting Tuesday afternoon. Lovely autumn flowers in rich hues added their beauty to the attractively arranged reception rooms.

Non member guests were Messdames F. R. Burkle, L. A. Noble and Mrs. Satter.

Delicious refreshments were served in the late afternoon.

Mrs. A. W. George, custodian of the T. O. for the diocese of Mississippi left Sunday afternoon on No. 4 to go to the Triennial Convention of the Episcopal Church which meets this week in Kansas City. She was joined at Memphis by Miss Robbie Doak who is a state delegate. They arrived in Kansas City Tuesday evening.

Mr. and Mrs. Sharkey Campbell, of Webb, visited their parents, Mr. and Mrs. G. W. Lambert the past week-end. Mrs. Lambert spent Friday last with her mother, Mrs. J. W. Rowen, in Duck Hill.

MISS SUSAN ELIZABETH TERRY TO WED REV. J. F. WOODSON

Rev. and Mrs. Adolphus John Terry of Victoria, Brazil, announce the engagement and approaching marriage of their daughter, Susan Elizabeth, to Rev. Joseph Franklin Woodson, son of Mr. and Mrs. C. F. Woodson of Tupelo.

POETS' CORNER

Alone in a cheerless room
That seems draped in the deepest gloom
Restless and thinking of words that were said
While thoughts of you spin 'round in my head.

Remembering your smile, your animated face,
Your spirited talk, your unequalled grace

The sympathy of a soul that understands—
Wanting nectar, the diet of the Gods,
Knowing full well that men are clods of earth

And so may never be able to rise
To see the beauties of the skies.

Yearning and thirsting for thoughts sublime
But hindered and hampered at all times by earthly ties.

Seeking for friendship that knows and forgives
The frailties of all man's nature.

Yearning for power to master fate
To see the way before its too late.

Miss Lula Sledge, Claude Caffey and Everette Moore Jr. were down from Ole Miss for the week-end with their home folks.

Other college students enjoying being home for the week-end were: Misses Mattie Bell Partridge, Barbara and Nelson Kingsland from MSCW, J. C. Sledge and Robert Raper Jr. from Mississippi State.

Mrs. E. A. Moore, accompanied by Miss Myrtle Moore, Mrs. J. W. Leigh, Mrs. J. E. Aldridge, and Mrs. O. W. Scott, was shopping in Memphis on Wednesday.

Mr. and Mrs. E. D. Bennett, with Miss Martha Addie Moore and Mrs. A. D. Baker visited friends in Greenwood Sunday.

Mr. F. L. Crump and Mr. Hyman McCarty made a short visit to Duck Hill during the week. They had been over to Holcomb looking after their farming interest in that section.

Mr. and Mrs. Beck Walter and lovey little daughter, Josephine, were visitors from Carrollton to Mrs. A. D. Baker during the week.

Mr. and Mrs. A. L. Sparks, accompanied by Miss Wyndell Moore, Miss Lula Mae Partridge, Don Elmo Dis- makes and Mrs. M. S. Walker, visited the Sardis Dam Friday, and after seeing that wonderful engineering project, spent the rest of the day in Memphis window-shopping, seeing other sights, both interesting and amusing, etc.

Miss Moore and the writer left the rest of the bunch to be "on our own," then when we had done all the walking we wanted to do, we started for the De- soto State where the car was parked and asked a cop if we were headed in the right direction, and with a twinkle in his eye, he asked us if we "had a ticket."

Mr. and Mrs. Arthur Henson and their sweetest little baby girl, Bettie Lou, spent the week-end with their sister, Mrs. Ernest Nall and cousin, Mrs. Grover Wood. Their home is in Kilm- ched, they both were married here and have lots of friends at Duck Hill.

Mr. J. R. Murphree of Grenada is visiting his niece, Mrs. W. C. Tyler and Mr. Tyler.

Mrs. James Walker has gone to Bar- ton Rouge, La. for a visit to see a lit- tle new niece. Her husband is one of the teachers at Blufford High School.

Mrs. Walter Fowler of Ellet visited her friend, Mrs. A. D. Baker, during the week.

Mr. and Mrs. W. C. Tyler visited her friend, Mrs. A. D. Baker, during the week.

Mr. and Mrs. W. C. Tyler visited friends at Parchman, Charlesdale and Indiana during the week.

Mr. and Mrs. Warren Holmes, with their daughter, Gwendolyn, Mrs. Noel Thomas and three children, Mrs. Tay- lor Holmes, Miss Catherine Hyde, and B. F. Hoffman all attended the fair in Memphis during the week.

Mr. and Mrs. L. L. Branscomb and L. Branscomb Jr. were among the vis- itors to Memphis during the fair.

Mr. C. W. Norwood and Mr. T. K. Bennett visited in Yazoo City Monday.

Mrs. Gathier Easley and little son, John Latham, of Memphis, visited her grandfather, Mr. Jim Latham on Wed- nesday.

The Methodist Women of Christian Service met at the library Monday af- ternoon with the new president, Mrs. Ralph Moore, conducting same. A siren did program was given and enjoyed by all in attendance.

Rev. Mr. Love, pastor of the Pres- byterian Church, delivered a message of unusual interest on Sunday morn- ing. All his sermons are good and those not hearing him are missing much. He preaches every first Sunday morning and evening.

WHITHER WENDELL?

You thought the New Deal excellent. A truly great advance. That when you were our president Would have a better chance.

But when that was several days ago. Since then you've changed your mind: The New Deal's now consigned below. With comments most unkind.

In Oregon you glorified Big Bonneville's great power: In Tennessee, you're horrified. It's socialized—and sour!

But in the West those dynamos Were in McNary's field: And wisely there it seems you chose Your principles to yield.

Next take that good old Wagner Act. The worker's armor plate: You promised with most touching tact To bring it up to date.

On second thought, it looked to you Insane and second rate. Indeed that law was surely due To meet a drastic fate.

Then came the transfer of our ships That sailed to England's aid: And swift approval from your lips Endorsed the deal we made.

Beneath sweet scented orange trees, (In Hollywood's sly glamor) You thought more guns on western seas Would still the Jap's loud clamor.

But in those cities more remote From perils of invasion, Our foreign policy you smote, As reckless innovation.

Wild Franklin mustn't thumb his nose At Adolf, or fat Mussol: Like wearing loud and gaudy hose, It's insolite to do so!

We grant you have not taken time— Absorbed in big time dickers, In Wall Street listening to the chime Of dividends and tickers.

To seem the trend of social thought, The planning and contriving, Of patriotic minds that sought To keep this nation thriving.

But when you choose a topic for Our nationwide attention, Don't talk like Rip Van Winkle or A mocking birds' convention.

Be kind enough to call your shots. Look forward—not behind— We have a surplus of cracked pots. So please make up your mind!

Mr. William W. Whitaker
care Veterans Administration
Memphis, Tennessee.

Dear Mr. Whitaker:

The undersigned wishes to make appreciative acknowledgement of a copy of the Grenada County Weekly, issue of Thursday, September 26, 1940. It is noted that you are the editor and that Mrs. Whitaker is the publisher of this very interesting paper.

On the first page is an article entitled "Routine in One of Uncle Sam's Veterans' Hospitals Detailed by the Editor". I have read this article with much interest and wish to commend

you for the keen power of observation that enabled you to prepare such a true picture of the everyday service rendered in one of our Administration hospitals. Without any words wasted in unnecessary, unimpressive rhetorical manner, you set forth facts familiar to all of us in the Administrative service.

Not long ago I had occasion to write to Colonel Dodge and Dr. Walker regarding some favorable publicity received by them in the Journal of a national organization of veterans. This was the Disabled American Veterans' Semi-Weekly publication. In your article you have gone into practical details which is more interesting perhaps to readers.

Such an article as you have prepared

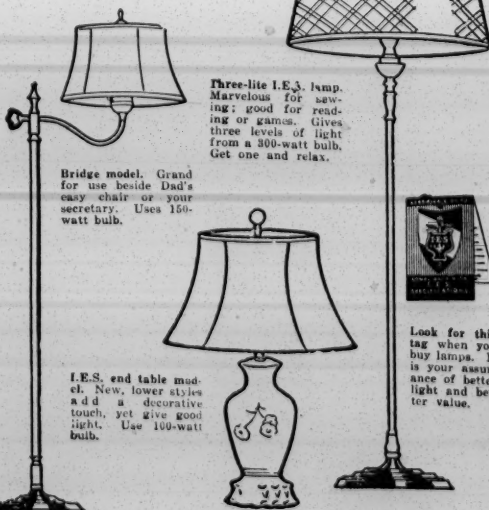

WHAT A DIFFERENCE 1c MAKES

Even Gwendolyn ought to know that eyes can be strained under bad light. Why invite eye-strain when good light's so cheap. A nickel will light a 100-watt bulb every night for a week. If a few extra pennies for light will give your family real reading comfort, why put it off any longer? See the grand new Certified I.E.S. lamps. They're beauties—and they'll go a long way toward light-conditioning your home.

You even get down to such details as one's "favorite nurse", and who among us humans does not at times yield to this attitude of favoritism in an institution of this kind?

It is also most helpful and gratifying to such an institution to have a

LIGHT BEGINS IN 40 (A. D.)

From the pages of ancient folk lore
I read of a people of yore,
Who from cradle to grave
Lived only to save
And allegiance to one goal they swore.

They vowed not to waste any light—
No more than one candle a night;
And as a result
They formed a great cult
United they stood for their right.

Each housewife was called a Light Saver
And vowed never from purpose to waiver.
There was only one spark
To light up the dark—
To have more was to be a cadaver.

These folk lived in houses so humble
At night they did nothing but stumble.
The kids fell down stairs,
Ma got gray hairs;
Pa bailed along with a grumble.

A year without light spelled disaster.
Broken legs could heal up no faster.
The crops were forsaken
With no one to rake 'em,
While the owners sat done up in plaster.

The kids all got dumber in school
They were objects of much ridicule.
But the light was so weak
They would fall fast asleep
Before they'd get past the first rule.

Now, poor Ma couldn't even take cake.
So, Pa shouted: "Well, for gosh sake,
Can't you tell sugar from salt
Or soda from malt?"
Squints Ma: "I can't see my mistake."

Soon things were in a big mess.
'Cause everyone lived in darkness.
The kids skipped their classes;
Ma and Pa made glasses;
And spread through the land was distress.

The cabinet went into meeting.
The discussion that followed was heating.
They concluded: With light
They'd have better sight,
And troubles would then be retreating.

Then things took a turn for the better.
Ma's cakes were made to the letter.
The kids concentrated;
Pa was elated.
For he was no longer a debtor.

Good light saved the whole situation.
'Twas the secret of sight preservation:
When people can see
They are happy and free
From headaches and eye aggravation.

And now from these folk we inherit
These three simple light rules of merit:
Light, do not spare;
Be sure there's no glare;
No contrast—your eyes cannot bear it.

So it pays to use bulbs the right size
And lamps that give light for the eyes.
For with better light
You'll have better sight.
You'll be healthy, wealthy and wise.

Eyes, they are priceless!
Electricity, it is cheap!
Light Conditioning is the answer—
If good eyesight you would keep!

MT. NERO NEWS

Mr. and Mrs. J. C. Clarke, of Marshall, Texas, with their son, Robert, spent the week-end here with their aunt, Mrs. Hardy Carter, also spent some time with their grandfather, Mr. A. E. Clarke.

Mrs. Adaline Hall, of Burnsville, is visiting in the home of her son, E. J. Hall.

M. P. Burke, of Indianola, spent Sunday night with his poor misguided brother and told some blood curdling tales of how he and Dr. Robert Going pushed Don's faces in during the Spanish American War. He got on Johnson band wagon early and front seat and is checking up on gas and oil sold in state, also truck tonnage. Has about three east Mississippi counties and is at West Point.

The many friends of Mr. and Mrs. Price Jones, wish for their little son a speedy recovery. He is in the Grenada Hospital, also we all wish our jovial editor Whitaker in the Veterans' Hospital in Memphis, to get well as soon as he wishes to.

Miss Betty Carter, our efficient and pretty teacher here says they are "all set" and "rarin' to go," Oct. 16th, on the draft registration deal.

Mrs. Coleman Cohen has just returned from an extended visit to relatives in the delta at Indianola and Blytheville, Ark.

We all appreciate old tried and true friends, but when new ones, you didn't count on many of them to look up, and take your part, that's grand, and such friends should be plainly posted down in one's memory book, and will be.

And by the way, Nelo has a bunch of young men, second to none, but when it comes to genial kindness, especially to older people, we have such here who is outstanding. His name is Carmack Merritt.

As soon as we get thru with the registration, let's get our minds back to the Food Stamp plan.

Fearing bodily harm while I am still sorter weak, I will not mention one person who paid his wife's subscription.

From what we have found out, we are one hundred percent for getting the Food Stamp plan in operation in Grenada. A plan which helps all and hurts none is bound to be a good one.

BONNY JOY MORGAN

Age 4 years, Oct. 2nd, 1940.

Daughter of Mrs. R. V. Morgan and granddaughter of Supervisor and Mrs. Jim Elliott of Polk County. Bonny Joy celebrated her birthday at the home of her grandparents, by inviting a group of little friends to a party.

Congratulations to Ben Adams Jr. who has been named graduation manager of the Role of Ole Miss.

Thanks to Douglas Gradham, of Greenwood for a nice friendly communication. I am living the life of Riley here, Doug and am getting better.

B. R. Baker Jr. a chap off the old block, was admitted on the student basis and will receive the G.W. at State College.

Everyone misses Miss St. Hitt from her old position. She has accepted our playmate at Grenada. We join others in wishing her success.

I think I will quit fooling with those damn politicians, for all I get from them is grief in gizzard goals.

Spurzoen Burke at Big Creek set a trap and baited it with a copy of the G.W. and caught E. R. Brown.

Mrs. Lula M. Allen Died Monday Morning

The passing of Mrs. Lula May Allen, mother of Mrs. Will Lott, came as a shock to the family and friends on Monday morning, October 7, 1940.

Mrs. Allen, who made her home in Grenada with Mr. and Mrs. Lott, died while on a visit in the home of another daughter, Mrs. Drew Nalley, in North Carrollton.

Mrs. Lott, who has lived in Grenada for years, was loved and respected by all who knew her. She was a member of the Baptist Church. She was a woman who followed the old time tradition of wifehood and motherhood. The rearing of her children and their proper care and the care of her home occupied her time almost to the exclusion of all else.

Funeral services were conducted on Tuesday at Pisani Church by the Rev. Leroy Sellers, pastor. Interment was in the Allen cemetery six miles from North Carrollton.

The following children survive: Mrs. Will Lott, Grenada; Mrs. H. C. West, Greenwood; Mrs. Drew Nalley, of North Carrollton; and Miss Maggie Allen, of Carrollton; Messrs. Tom Fox Allen, L. J. Allen and J. S. Allen, of Hobeomb; and Mr. T. W. Allen, of Carrollton.

To the sorrowing ones, we extend sympathy.

MACDONALD, MISDEAD

The Macdonald-Misdead held its first meeting of the year in the home of Mrs. Roger Phosphors on Silder St., with Mrs. Pharr, Mrs. Holland and Miss Walker as hostesses. The rooms were beautifully decorated with fall flowers.

The thought for the afternoon was "The Effects of Macdonald on a Nation" and the program was most interesting and beautiful.

The program was listed except for a substitution for the K. K. K. help for Mrs. Liles.

After a delicious salad course the meeting was adjourned.

Governor Johnson Issues Statement on Draft

TO THE COUNTY ELECTION COMMISSIONERS

In a few days you will be called upon by the proper authorities to render some assistance in connection with the registration of young men for National defense duty under the recent Selective Service Act passed by Congress. You will be notified in detail what service you can render in this connection and there is no reason now to explain it to you. We are very much concerned, however, that the Election Commissioners of each county co-operate to the fullest extent with the authorities in securing this registration. We have every reason to believe that you will do so, and we are writing this letter in order that you may know in advance that you will be called on so that you may hold yourself in readiness to answer the call.

There are no funds available to pay for this service. However, your compensation under the circumstances will be the satisfaction that you are doing your part in the National Defense Program, and in accordance with the wishes of the President of the United States, I wish to call your attention to one paragraph of the President's proclamation concerning registration duty.

"I further call upon all officers and agents of the United States and all officers and agents of the several states and the District of Columbia, and subdivisions thereof, to do and perform all acts and services necessary to accomplish effective and complete registration; and I especially call upon all local election officials and other patriotic citizens to offer their services as members of the boards of registration."

We will greatly appreciate the service you can render in this program. State Board of Election Commissioners PAUL B. JOHNSON, Governor

GREEK L. RICE, Attorney General
WALKER WOOD, Secretary of State
The election commissioners of Grenada County are Messrs. S. H. Horton, E. Underwood, and W. W. Whitaker.

VOLUNTEER OPERATORS MET HERE WEDNESDAY NIGHT

Mr. J. H. Oliver was host at a large gathering of Volunteer Store operators in this, the Grenada, district, on Wednesday night of this week.

Approximately sixty men were entertained in the evening at a beautifully planned three-course banquet.

The banquet followed an afternoon spent in session at the Community House.

Grenada welcomes this group of splendid citizens on this occasion and expresses the hope that the visit to Grenada "The City Beautiful" was both pleasant and beneficial.

New Mackerel FRENCH MARKET

Mr. J. G. Weeks paid the GCW office an appreciative visit Thursday morning. This was his first walking trip to town in several months.

We all miss Sitt Hitt at the Belmont.

On Wednesday evening, Miss Mary Lou Cullen entertained in honor of Miss Dorothy Talbert, whose 100th birthday occurred on that date, at her home.

The guest list was composed of school chums. Dorothy received many birthday gifts and her happy acceptance of them delighted her friends.

Delicious refreshments were served after the guests had finished several rubbers of bridge.

Mr. and Mrs. C. B. Jones, of Cleveland, were visitors here Thursday coming especially at this time to attend the bedside of their mother, Mrs. Annie Jones.

Misses Ruth Hunter and Gladie Martin employed in the National Life and Accident Insurance Co.'s office in Jackson, spent the past week-end here.

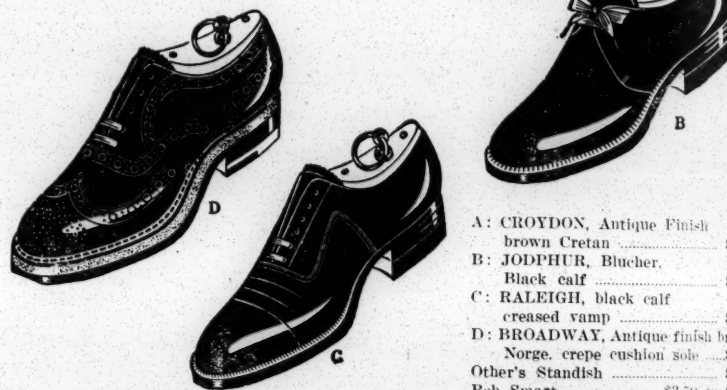

The congressional race is definitely over so far as I am concerned, and is other politics.

Aint they sweet.
